Comment. The bulk of the 9th Mach Div including the engineer	25
battalion was still located in Camp Forst Tauer until mid-July. The	
occupation of the camp included the 71st Mech Rogt, which previously	
remained in the Dissenction Kasaras in Cottous. The following units are still stationed in the installations indicated:	
the 80th Gds Hy Tank SF Regt in the barranks installation worth of	
Drachhausen, the 70th Mech Regt in News Hasarne in Muonsdorf, and the	
unidentified tank training battallon in Loens Maserne in Cottbus.	
Units of the division went to Justerbog for short-term exercises in mid-July. (5 shipments to, and 2 shipments from, the training area).	
Information in paragraph 2 indicates that tank firing details were	
transferred.
